

# Put College In Your Future

**College Foundation**  
of North Carolina

Helping you plan, apply, and pay for college

## 6th Grade

Get to know your teachers and school counselors

Practice time management

Develop good study habits

Participate in clubs and after school activities

Read for pleasure – good readers make good thinkers

## 7th Grade

Keep up the good work!

Ask for help or tutoring in subjects that are hard

Make studying easier

Explore your interests

Ask parents and adults about their jobs and education

Talk with your family about saving for college

Sign up for the most challenging courses you can

## 8th Grade

You can do it! Keep going!

Create your free CFNC account

Start thinking about careers that interest you

Talk with your teachers about high school classes that are right for you

Find out about taking college courses while in high school

Pick the most challenging classes you can

Think about your summer plans

Look for work, activities and volunteering to build a resume

## HIGH SCHOOL

### CONVERSATIONS

- How different do you think high school will be from middle school?
- How do you expect college to be different from high school?
- What education options are available beyond high school?
- What is your favorite subject in school? Why do you like it?
- What is the hardest thing about being organized in school?
- How do you put college in your future?
